

Profusion Wealth Management Ltd Golf Day, July 2021

Profusion Wealth Management Ltd recently held their annual golf day at Branston Golf & Country Club in Burton-On-Trent. This was the eighth consecutive year that Profusion have held the event and the second consecutive year that the event was held at Branston Golf & Country Club.

The event was well attended with 32 golfers split into 8 four-ball teams made up of clients and professional contacts of the company. Golfers ranged in ability from +1 to +36 handicap with each four-ball relatively evenly matched based on the average handicap of the four golfers. The competition was played based on full-handicap stableford scoring with the best two scores on each hole to count.

The winning team this year with a competitive score of 92 were Lee Mortimer, Richard Faulkner, Ben Heathcote and Warren Cowell.

In addition to the main competition, prizes were awarded for the longest drive, unsurprisingly won by Josh Turner as our lowest handicap player on the day for his drive on the 5th hole. We saved embarrassment for our guests by putting Josh in one of the later teams to tee off so that they weren't deflated to reach the longest drive marker on their second or third shot.

Nearest the pin on the par three 10th hole was won by Sean McDonald, and nearest the pin on any shot over the water on the signature 18th hole (pictured) was won by John Colburn.

As in previous years, we were again blessed with lovely weather for the day, with our guests enjoying the afternoon sunshine and a fish and chips supper with a few drinks on the terrace overlooking the 18th green at the end of their rounds.

We would like to thank the golf team and catering team at Branston Golf & Country Club for the service and hospitality they provided our guests on the day as well as Rathbone Investment Management for supporting the day.

Judging by the laughter on the terrace at the end of the day all attendees had a good day and James and Paul look forward to welcoming them and those that unfortunately were unable to attend to the Profusion Golf Day in 2022.
